

TJHSST PARTNERSHIP FUND 2009-2010 ANNUAL REPORT & DONOR LIST

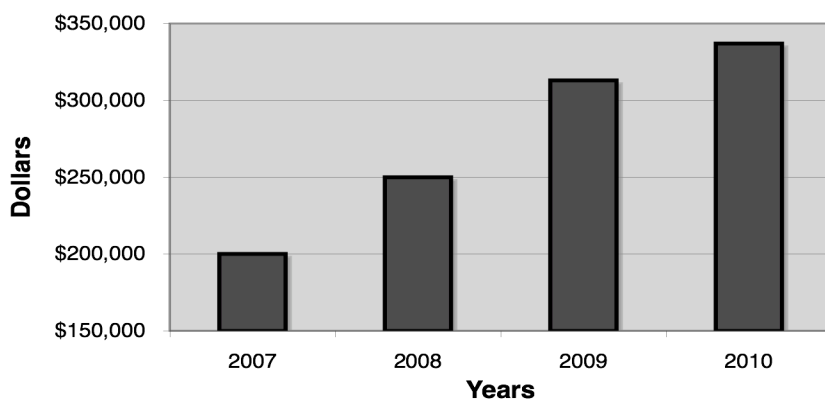

THE PARTNERSHIP FUND HELPS KEEP TJ NUMBER ONE

The Partnership Fund (PF) is a 501(c)(3) organization that was formed in 1999 for the specific purpose of raising funds to meet TJHSST's unique needs as a premier public science and technology high school. Those needs continue: As technology acquired long ago becomes obsolete, it must be replaced; as disciplines expand and merge to form new areas of inquiry, faculty and student research interests likewise expand; as students complete more college-level coursework in high school, the school's facilities and equipment need to keep pace. The PF is there every step of the way.

PARENT GIVING REACHES NEW HEIGHTS

The 2009-2010 school year was a successful one for the Partnership Fund. Annual Giving totaled over \$635,000, including a record \$337,000 from parents. An amazing ninety families contributed more than \$1000 each -- twenty-three families more than last year.

Parent Giving 2007-2010

JUNIOR LAB APPEAL RAISES \$41,000 IN ITS FIRST YEAR

The enthusiasm and generosity of the parents in the junior class were inspirational. Thirty-six Lab Captains called and emailed their peers, eventually raising more than \$41,000 toward the purchase of needed wish list items for the participating labs, including specialized cameras, software and graphics cards, DNA preparation equipment, and even a wind turbine. Several labs surpassed their target amounts.

MASS SPECTROMETER: A MAJOR PURCHASE FOR TJ'S LABS

The Chemical Analysis Lab is now the home of a brand new state-of-the-art Gas Chromatograph Mass Spectrometer (pictured), a significant piece of equipment that analytical chemists use to evaluate a solution containing a number of chemicals. TJ is likely one of few high schools in the country with a GC-MS, and the PF is thrilled to help make this kind of tangible difference for our students.

PF AND TJ MAKE BEAUTIFUL MUSIC TOGETHER

The PF has just made possible the purchase of three new cellos for the TJ Orchestra. Thanks to PF donations to the "Non-Lab Fund" and its predecessor, the "Humanities Fund," students will no longer have to rush to class to get one of the other two "good cellos." Orchestra Director Allison Bailey says, "Without this [PF grant] it would have taken us years to be in a position to make this type of purchase."

TJ STAR: TRIBUTES & CELEBRATIONS

On June 1st, in conjunction with the School's tjStar Research Symposium, the Partnership Fund held its second annual tjStar dinner, where we honored this year's "Tommy Award" recipients for their contributions to TJ and to the broader science education community. This year's "Tommys" were awarded to:

Norm Augustine, Retired Chairman & CEO, Lockheed Martin Corporation

Sally Goetz Shuler, Executive Director, National Science Resources Center

Tom Goodwin, Past Chairman, TJ Partnership Fund Board of Directors

Bob Latham, Director, Optics & Modern Physics Lab, Research Lab Chair, & Science Competitions Coordinator, TJHSST

TJ 2.0 RENOVATION PREVIEW

Fairfax County Public Schools (FCPS) is in the final planning stages of a complete TJ renovation, which is slated to commence in spring 2012, and is expected to cost in excess of \$100 million. FCPS funds will not, however, equip the specialized research labs at TJ that make the school unique. This coming fall, the PF, with the full support of FCPS, will kick off **TJ 2.0, Innovation – Renewed**. This ambitious Capital Campaign will seek to solidify and enhance TJ's position as the premier research-driven secondary school in the nation. **With its enormously generous leadership pledge to contribute \$250,000 over 5 years, Lockheed Martin has already signed on as the first TJ 2.0 Founding Partner.**

2010-2011 PARTNERSHIP FUND BOARD AND STAFF

Board Chair, Mark Skolnik, Parent (Nate '11). Mark stays on top of all aspects of PF work but is currently most involved in planning Renovation 2.0, the Capital Campaign. He meets frequently with the School administration to talk about how the PF can best be of service to the School. In his "free time," he works for Exxon Mobil.

Vice Chair, temporarily vacant.

Secretary, Ellen Ranard, Alumni Parent (Ben '07, Daniel '10). Ellen works on virtually all aspects of PF operations and is our unofficial PF historian. She also knows everyone at the School and many of the parents, having served as PF Parent Chair for two years and having held numerous volunteer positions at TJ over the last seven years.

Treasurer, Leslie Dupree Culman, Parent (Taylor, '13). Leslie jumped right in as a freshman parent, teaching herself the intricacies of the Raiser's Edge database while taming the complicated PF finances, in the process saving the PF thousands of dollars in outside fees.

Finance & Audit Committee Chair, Carrie Kilgore, Alumni Parent (Chris, '10). Carrie uses her background as a CPA to ensure compliance with reporting requirements and keep the PF on sound financial footing. As a former PF Parent Chair and immediate past PTSA President, Carrie's connections to and knowledge of the School are invaluable assets.

Parent Advisory Board Chair, Hilde Kahn, Parent (James Bradbury '12, Will Bradbury '14). Hilde enjoys making fundraising fun. From "Ornaments" at the holidays, to the Junior Lab Appeal Rap, she never stops trying to turn every TJ parent into a TJ donor.

Alumni Advisory Board Chair, Erik Petersen, TJ '89. Erik, a DC-based attorney advising on global and strategic sourcing and complex technology transactions, credits much of his success to his TJ education, and he believes that every alum should continue to support TJ! Erik is excited to launch the PF's first Alumni Annual Giving Appeal this year, and to help spread the word among alumni about the important support that the Partnership Fund provides to our School.

Corporate Advisory Board Chair, Julie Strategos. As Vice President, Operations, for Lockheed Martin, Julie has long been instrumental in securing Lockheed's role as one of TJ's closest corporate partners. Julie intends to use her extensive corporate rolodex and Lockheed's leadership role to expand the list of TJ's corporate partners and deepen relationships between TJ and local industry.

Events Chair, Pam Cooper, Parent (Mike '13). Pam's role is to plan and coordinate the PF's major annual events, including the tjStar dinner, and to assist the Advisory Board Chairs with their events, such as the Freshman Parent Reception and Back to School Night. Pam, a self-employed attorney and 2013 Class Rep., has ideas and energy; you just can't say "no" to Pam.

Communications Chair, Tom Goodwin (acting)

Volunteer Chair, temporarily vacant

Principal, Evan Glazer, ex officio, non-voting

Faculty Representative, temporarily vacant

Alumni Association President, Dan Soschin '95, ex officio. Dan, Director of Interactive Marketing at American Public University System, enjoys sharing his passion for all things TJ by coordinating career fairs and reunions. A two-term President of the Alumni Association, he is famous for attending All Night Grad Parties with each graduating class.

PTSA President, Louise Epstein, Parent (Sarah Marzen '07, Stephanie & Rachel Marzen '11), ex officio. Louise has been an active TJ volunteer for seven years and a vocal supporter of gifted education in Fairfax County for even longer.

Immediate Past Board Chair, Thomas Goodwin, Parent (John '08), ex officio. Tom led the PF Board from 2006-2009. Most recently, he has donated his time and expertise as a communications professional by assisting the Board as Communications Chair.

Development Associate, Ellen Smith. Ellen, who previously worked in Mount Vernon's development office, has experience in all aspects of development support. In addition to running the office, Ellen interfaces with all constituencies and the School administration, oversees database management, and coordinates PF information and activities.

Part-time Accountant, Katie Kogon (sister of Laura Minnema '12). Katie is the proud parent of Colin David Kogon, born July 23, 2010!

Part-time Administrative Assistant, Kathy Young (Brian '04). For the last two years, Kathy has assisted the PF part-time while employed by FCPS as Community Liaison (TJ's official tour guide).

Governor McDonnell stands with a group of TJ students that include the winners of several research competitions. The Governor spent over an hour mingling with the students prior to this year's tjStar dinner. The evening's guests – Partnership Fund Board members, parent donors and volunteers, corporate partners, TJ faculty and administration, and the research competition winners and their families – then heard from Wayne Clough, Secretary of the Smithsonian Institution (and former Georgia Tech president), and joined the PF in honoring this year's "Tommy Award" recipients (*see* "TJ Star: Tributes and Celebrations" on page 1).
